As the owner(s) of property, I/we agree to the submission of this mandatory referral application to the Metropolitan Planning Commission to rename our street. We live adjacent to this street and consider ourselves an affected property owner.

If this street is renamed, we understand the following process will occur and by our signature agree to this occurring:

- I/we understand that if the Metro Council should decide to rename this street, the Metro Public Works Department will notify the U.S. Post Office of the name change. The Post Office will deliver mail addressed to my current street name for one year after the new street name is approved. Thereafter, it will be returned to the sender. I understand I am responsible for notifying all family, friends, credit card companies, banks, mortgage companies, insurance companies, governmental agencies (e.g. Social Security, IRS, TennCare) etc. of the street name change should it be approved.
- I/we understand street renamings require a recommendation to the Metro Council from the Metro Planning Commission and the E-911 Board.
- I/we understand that not everyone who lives on the street must approve the street renaming. It may be renamed in spite of objections by property owners by the Metro Council in order to protect the public health, safety, and welfare and to improve E-911 efficiency and system operations.
