Subject: Alley closure

Councilman Davis, Will Prettyman at Barge Cauthen engineering is filing the alley closure documents on our behalf and has talked with Bonnie at public works. She had a question about the situation related the folks that would not sign and wanted to be sure you were on board with the procedure. Would you be so kind as to speak with Will regarding this matter. His office number is 615-356-9811. I have taken the liberty of giving him your cell number since this is a priority. I am out of the country until late Monday and have limited or no phone service but do have email and text.

Will please contact Councilman Davis as soon as you can.

Thank you so much, Ed
