Maturity Date

Date of Bond:

CUSIP No.:

Registered Owner:

Principal Amount:

KNOW ALL MEN BY THESE PRESENTS: That The Metropolitan Government of Nashville and Davidson County (Tennessee) (the "Metropolitan Government"), a lawfully organized and existing municipal corporation, for value received hereby promises to pay to the registered owner hereof, hereinabove named, or registered assigns, in the manner hereinafter provided, the principal amount hereinabove set forth on the maturity date hereinabove set forth, and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on said principal amount at the annual rate of interest hereinabove set forth from the date hereof until said maturity date or redemption date, said interest being payable on April 1, 2004 and semi-annually thereafter on the first day of April and October in each year until this Bond matures or is redeemed. Both principal hereof and interest hereon are payable in lawful money of the United States of America at the principal corporate trust office of \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, as registration and paying agent (the "Registration Agent"). The Registration Agent shall make all interest payments with respect to this Bond on each interest payment date to the registered owner hereof shown on the bond registration records maintained by the Registration Agent as of the close of business on the day which is fifteen (15) days preceding an interest payment date (the "Regular Record Date") by check or draft, or by wire transfer, as provided by the Bond Resolution, as such term is hereinafter defined, mailed to such owner at such owner's address shown on said bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the Metropolitan Government to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond

is one not less than ten (10) days prior to such Special Record Date. Payment of principal of and premium, if any, on this Bond shall be made when due upon presentation and surrender of this Bond to the Registration Agent.

Bonds of the issue of which this Bond is one maturing on or before April 1, 2012 shall mature without option of prior redemption. Bonds maturing on April 1, 2013 and thereafter shall be subject to redemption prior to maturity at the option of the Metropolitan Government on or after April 1, 2012 as a whole or in part at any time at the price of par plus interest accrued to the redemption date. If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Metropolitan County Council (the "Metropolitan Council") of the Metropolitan Government in its discretion. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

[Subject to the credit hereinafter provided, the Metropolitan Government shall redeem Bonds maturing \_\_\_\_\_ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

<u>Final</u> <u>Maturity</u>	<u>Redemption</u> <u>Date</u>	<u>Principal Amount</u> <u>of Bonds</u> <u>Redeemed</u>
---------------------------------	----------------------------------	---

\*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the Metropolitan Government may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the Metropolitan Government on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The Metropolitan Government shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of call for redemption, whether optional or mandatory, shall be given by the Registration Agent not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any such defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the Metropolitan Government nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth in the Bond Resolution, as hereafter defined.

This Bond is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the principal corporate trust office of the Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Metropolitan Government nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate

principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the Metropolitan Government to call such Bond for redemption.

This Bond is one of a total authorized issue aggregating \$\_\_\_\_\_ and issued by the Metropolitan Government for the purpose of (i) providing funds to retire a portion of the Metropolitan Government's outstanding General Obligation Commercial Paper, authorized by resolution adopted by the Metropolitan Council on June 17, 2003, and (ii) providing funds to pay the costs of issuance of the Bonds, as authorized by Resolution No. RS2003-\_\_\_\_ of the Metropolitan Council, adopted on October 21, 2003 (the "Bond Resolution"), and are issued pursuant to, and in full compliance with, the Constitution and the statutes of the State of Tennessee, including, but not limited to Title 9, Chapter 21 of the Tennessee Code Annotated, as amended, (the "Act"), and the Charter of the Metropolitan Government (the "Charter"). Copies of the Bond Resolution are on file at the office of the Metropolitan Clerk of the Metropolitan Government, and reference is hereby made to the Bond Resolution, the Act, and the Charter for a description of the nature, manner, and description of the pledge securing the Bonds, the nature, manner, and extent of enforcement of such pledge, the rights and remedies of the registered owners of the Bonds with respect to such pledge, the terms and conditions upon which the Bonds are issued thereunder, and a statement of the rights, duties, immunities, and obligations of the Metropolitan Government. Such pledge and other obligations of the Metropolitan Government under the Bond Resolution may be discharged at or prior to the maturity or redemption of the Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the Bond Resolution.

This Bond, both principal and interest as the same shall become due, is a full faith and credit obligation of the Metropolitan Government to which the ad valorem taxation power of the Metropolitan Government with respect to all taxable property in the General Services District of the Metropolitan Government has been pledged. No other taxation power of the Metropolitan Government has been pledged to the payment of the principal of, or the premium, if any, or interest on, this Bond.

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) inheritance, transfer and estate taxes, (b) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (c) Tennessee franchise taxes by reason of the inclusion of the book value of the Bond in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the Metropolitan Government,

does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

*In the opinion of Bond Counsel, based on existing law and assuming compliance with certain tax covenants of the Metropolitan Government, interest on the Bonds will be excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, such interest is taken into account in determining the adjusted current earnings of certain corporations for purposes of the alternative minimum tax on corporations. For an explanation of certain tax consequences under federal law, which may result from the ownership of the Bonds, see the discussion under the heading "Tax Matters" herein. Under existing law, the Bonds and the income therefrom will be exempt from all state, county and municipal taxation in the State of Tennessee, except inheritance, transfer and estate taxes, and Tennessee franchise and excise taxes. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent, as the same shall become due and payable. All rates of interest specified in the Bond Resolution shall be computed on the basis of a three hundred sixty day year composed of twelve (12) months of thirty (30) days each. In the event the Bonds are no longer registered in the name of DTC or its successor or assigns, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

Any interest on any Bond which is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the Metropolitan Government to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the Metropolitan Government shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the Metropolitan Government shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the Metropolitan Government of such Special Record Date and, in the name and at the expense of the Metropolitan Government, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in the Bond Resolution or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the Metropolitan Government to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

So long as Cede & Co. is the Registered Owner of the Bonds, as nominee of DTC, references herein to the Bondholders, Holders, Owners or Registered Owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds. See Appendix C—"Information Related to Depository Trust Company."

## **Optional Redemption**

The Bonds maturing on or before April 1, 2012 will not be subject to optional redemption prior to their respective maturity dates. The Bonds maturing on and after April 1, 2013 may be redeemed prior to their respective maturity dates at the option of the Metropolitan Government on or after April 1, 2012, in whole or in part at any time at the redemption price of par, together with accrued interest thereon to the redemption date.

If less than all of the Bonds are called for redemption, the maturities of such Bonds to be redeemed shall be selected by the Metropolitan Council in its discretion. If less than all of the Bonds within a maturity should be called for redemption, then the portions thereof to be redeemed will be selected as set forth in "Description of the Bonds - Book-Entry Only System." The Metropolitan Government shall, so long as DTC or DTC's nominee is the registered owner of the Bonds, mail notice of redemption to DTC no less than 30 days nor more than 60 days prior to any redemption date as set forth in the following paragraph, and the Metropolitan Government shall not be responsible for mailing notices of redemption to Participants or Indirect Participants or to the Beneficial Owners of the Bonds. Any failure by DTC to mail such notice to any Participant will not affect the validity of such redemption.

Notice of call for redemption, whether optional or mandatory, shall be given by the Registration Agent on behalf of the Metropolitan Government not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. The Registration Agent shall mail said notices, in the case of mandatory redemption of term Bonds, as and when provided in the Bond Resolution and in the Bonds, and, in the case of optional redemption, as and when directed by the Metropolitan Government pursuant to written instructions from an Authorized Representative of the Metropolitan Government given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the Registration Agent shall treat Cede & Co. as the only owner of the Bonds for all purposes, including the giving of notices of redemption. Neither the Metropolitan Government nor the Registration Agent shall have any responsibility or obligations to any DTC Participant or any Beneficial Owner with respect to the delivery or timeliness of delivery by DTC or any DTC Participant of any redemption notice. For a discussion of the notice procedures of DTC, see APPENDIX C-"INFORMATION RELATED TO DEPOSITORY TRUST COMPANY."

## **Security and Remedies**

The Bonds, including the principal thereof, premium, if any, and interest thereon, are payable from ad valorem taxes to be levied on all taxable property in the General Services District of the Metropolitan Government without limit as to time, rate, or amount. The Bonds shall be direct general obligations of the Metropolitan Government, and the full faith and credit of the Metropolitan Government, together with the taxing power of the Metropolitan Government as to all taxable property in the General Services District of the Metropolitan Government, are irrevocably pledged to the payment of the Bonds.

The Metropolitan Government levies taxes in two different taxing districts, one being the Urban Services District, which is an area described in the Charter of the Metropolitan Government generally corresponding to the old city limits of the City of Nashville as they existed before the formation of The Metropolitan Government of Nashville and Davidson County, and the other being the General Services District, which is also described in the Charter and encompasses all property within the Metropolitan Government. The Metropolitan Government also levies a tax for school purposes on all taxable property within the Metropolitan Government. Principal of and interest on the Bonds issued to pay Notes issued to finance projects developed and constructed within and for the benefit of the Urban Services District will be paid from the debt service fund of the Urban Services District, and principal of and interest on the Bonds issued to pay Notes issued to finance projects that will benefit the entire County will be paid from the debt service fund of the General Services District. Principal of and interest on Bonds issued to pay Notes issued to finance school projects will be paid from the school debt service fund. For the purpose of providing for the payment of the principal of, premium, if any, and interest on the Bonds, the Metropolitan Government will levy in each year in which such Bonds shall be outstanding a direct tax on all taxable property in the General Services District of the Metropolitan Government, fully sufficient to pay all such principal, premium, if any, and interest falling due prior to the time of collection of the next succeeding tax levy; provided, however, taxes so levied in the General Services District shall be levied in an amount sufficient to pay that portion of such principal and interest attributable to the General Services District projects and the school projects and the taxes so levied in the Urban Services District shall be levied in an

amount sufficient to pay that portion of such principal, premium and interest attributable to the Urban Services District projects; provided, further, however, that the Metropolitan Government shall be unconditionally and irrevocably obligated to levy and collect ad valorem taxes without limit as to rate or amount on all taxable property in the General Services District to the full extent necessary to pay all principal, premium and interest, on the Bonds, and the full faith and credit of Metropolitan Government shall be pledged to the payment thereof. Said tax shall be assessed, collected and paid at the time, and in the same manner, as the other taxes of said General Services District of the Metropolitan Government, shall be in addition to all other taxes, and shall be without limitation as to time, rate, or amount. Principal, premium, if any, and interest, or any of the foregoing, falling due at any time when there shall be insufficient funds on hand from such tax levy for the payment thereof shall be paid from current funds of said General Services District of the Metropolitan Government, but reimbursement therefor may be made from the taxes when the same shall have been collected.

Any holder or holders of the Bonds shall have the right, in addition to all other rights: (a) to enforce, by mandamus or other suit, action or proceeding in any court of competent jurisdiction, such holder's rights against the Metropolitan Government, the Metropolitan Council and any officer, agent or employee of the Metropolitan Government, including, but not limited to the right to require the Metropolitan Government and the Metropolitan Council and any proper officer, agent or employee of the Metropolitan Government to assess, levy and collect taxes adequate to carry out any other covenants and agreements as to the assessment, levy, and collection of taxes and to perform its and their respective duties under the provisions of Title 9, Chapter 21, of the Tennessee Code Annotated, as amended; and (b) to enjoin, by action or suit in equity, any acts or things which may be unlawful or a violation of the rights of such holder or holders of the Bonds.

### **Book-Entry Only System**

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully registered bonds registered in the name of Cede & Co. (DTC's partnership nominee). One fully registered Bond will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC. Information relating to DTC and the Book-Entry Only system is contained in Appendix C.

So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the Registration Agent shall treat Cede & Co., as the only owner of the Bonds for all purposes under the Bond Resolution, including receipt of all principal of, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or directing the Registration Agent to take or not to take, or consenting to, certain actions under the Bond Resolution.

Payments of principal, premium, if any, and interest with respect to the Bonds, so long as Cede & Co. is the registered owner of the Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. Neither the Metropolitan Government nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

Neither the Metropolitan Government nor the Registration Agent shall have any responsibility or obligations to any DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy of any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal of, premium, if any, and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Bond Resolution to be given to Beneficial Owners; (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

**Defeasance**

The Metropolitan Government may pay, discharge and defease the Bonds in any one or more of the following ways:

(a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of, premium, if any, and interest on such Bonds as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers, in trust or escrow, on or before the date of maturity or redemption, sufficient money or Federal Obligations, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay premium, if any, and interest thereon when due until the maturity or redemption date. Federal Obligations means direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, or any agency thereof, obligations of any agency or instrumentality of the United States or any other obligations which at the time of the purchase thereof are permitted investments under Tennessee law which bonds or other obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof; or

(c) By delivering such Bonds to the Registration Agent for cancellation;

If the Metropolitan Government shall also pay or cause to be paid all other sums payable under the Bond Resolution by the Metropolitan Government with respect to such Bonds, or make adequate provision therefor, and instruct agent to hold such amounts in escrow and to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then the Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the Metropolitan Government of the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the Metropolitan Government shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either (a) or (b) above, then the registered owners of such Bonds shall thereafter be entitled only to payment out of the money or Federal Obligations deposited for such purpose.

## ADDITIONAL BORROWING PLANS

The Metropolitan Government expects to issue additional general obligation bonds for certain capital projects and for refunding purposes in the future. Currently, the Mayor has submitted a capital projects plan to the Metropolitan Council to fund \$\_\_\_ million in capital projects through bond issuances. The Metropolitan Government currently anticipates the sale of up to \$\_\_\_ million of general obligation bonds in Fiscal Year 2004 to fund these and other approved projects.

## FISCAL YEAR 2003 FINANCIAL EVENTS

### Legislation Affecting State-shared Taxes

The Tennessee General Assembly adopted a State budget for Tennessee for fiscal year beginning July 1, 2003, which includes a reduction of certain State-Shared Taxes remitted to local governments. "State-Shared Taxes" are taxes collected by the State pursuant to State law and allocated by law to local governments for general use or, in some cases, for a particular purpose. The budget as adopted includes a nine percent (9%) reduction to alcohol related taxes and to the bank excise tax, and a thirty-three percent (33%) reduction (as adjusted for certain cities for fiscal year 2003-2004) to the "Hall income tax" (a tax on certain unearned income such as dividends). In addition, cuts were made to some programs and services provided to cities and counties by the State.

The impact to Metro is estimated at approximately \$9.8 million in revenue reductions. Metro is fully aware of the reduction of State-Shared Taxes and has considered the implications of such a decision in the development of its long-range capital plan.

### Change in Fund Balance

The Metropolitan Government planned a \$\_\_\_ million decrease in Unreserved Fund Balance in Fiscal Year 2003. Additional changes in Fund Balance were the result of \_\_\_\_\_.

## LITIGATION AND OTHER PROCEEDINGS

At the time of delivery of and payment for the Bonds, the Metropolitan Government will deliver, or cause to be delivered, a certificate of the Metropolitan Government stating that there is no controversy or litigation of any nature then pending or threatened, restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any proceedings of the Metropolitan Government taken with respect to the issuance or sale thereof or the pledge or application of any moneys or security provided for the payment of the Bonds or the corporate existence, boundaries or powers of the Metropolitan Government.

## CONTINUING DISCLOSURE

Pursuant to the Bond Resolution, the Metropolitan Government has covenanted for the benefit of the holders and beneficial owners of the Bonds to distribute certain financial information and operating data relating to the Metropolitan Government by not later than nine months following the end of the Metropolitan Government's fiscal year, commencing with the fiscal year ending June 30, 2003 (the "Annual Report") and to provide notices of the occurrence of certain enumerated events, if deemed by the Metropolitan Government to be material under applicable federal securities laws. A copy of the Continuing Disclosure undertaking is attached hereto as Appendix D.

The Metropolitan Government has not failed to comply in any material respect with any previous undertaking in a written contract or agreement specified in SEC Rule 15c2-12(b)(5).

## TAX MATTERS

### Federal Taxes

In the opinion of Bass, Berry & Sims PLC, Bond Counsel, interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax

imposed on individuals and corporations; however, for purposes of computing the alternative minimum tax imposed on certain corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings. Bond Counsel's opinion is subject to the condition that the Metropolitan Government comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The Metropolitan Government has covenanted to comply with all such requirements. Failure to comply with certain of such requirements could cause interest on the Bonds to be so included in gross income retroactive to the date of issuance of the Bonds.

Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income," foreign corporations subject to the branch profits tax and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry the Bonds. Bond Counsel will not express any opinion as to such collateral tax consequences. Prospective purchasers of the Bonds should consult their tax advisors as to collateral federal income tax consequences.

The initial public offering prices of the Bonds maturing \_\_\_\_\_, (the "Discount Bonds") are less than the amounts payable at maturity. In the opinion of Bond Counsel, under existing law, the original issue discount in the selling price of each Discount Bond, to the extent properly allocable to each owner of such Discount Bond, is excludable from gross income for federal income tax purposes with respect to such owner. The original issue discount is the excess of the stated redemption price at maturity of such Discount Bond over its initial offering price to the public, excluding underwriters and other intermediaries, at which price a substantial amount of the Discount Bonds of such maturity were sold.

Under Section 1288 of the Internal Revenue Code of 1986, as amended, original issue discount on tax-exempt bonds accrues on a compound basis. The amount of original issue discount that accrues to an owner of a Discount Bond during any accrual period generally equals (i) the issue price of such Discount Bond plus the amount of original issue discount accrued in all prior accrual periods, multiplied by (ii) the yield to maturity of such Discount Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period), minus (iii) any interest payable on such Discount Bond during such accrual period. The amount of original issue discount so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, will be excludable from gross income for federal income tax purposes, and will increase the owner's tax basis in such Discount Bond. A portion of the original issue discount that accrues in each year to an owner of a Discount Bond that is a corporation will be included in the calculation of the corporation's alternative minimum tax liability. Consequently, corporate owners of the Discount Bonds should be aware that the accrual of original issue discount in each year may result in an alternative minimum tax liability although the owners of such Discount Bonds have not received cash attributable to such original issue discount in such year.

The initial public offering prices of the maturing \_\_\_\_\_ (the "Premium Bonds") are greater than the amounts payable at maturity with respect to such Premium Bonds. An amount equal to the excess of the purchase price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. A purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the Premium Bond's yield to maturity. As premium is amortized, the purchaser's basis in such Premium Bond and the amount of tax-exempt interest received will be reduced by the amount of amortizable premium properly allocable to such purchaser. This will result in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes on sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis is reduced, no federal income tax deduction is allowed.

Owners of Discount Bonds and Premium Bonds should consult their personal tax advisors with respect to the determination for federal income tax purposes of the amount of original issue discount or interest properly accruable with respect to such Discount Bonds or Premium Bonds, other tax consequences of owning Discount Bonds and Premium Bonds, and with respect to the State of Tennessee and local tax consequences of holding such Discount Bonds and Premium Bonds.

#### **State of Tennessee**

Under existing law, the Bonds and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) inheritance, transfer and estate taxes, (b) Tennessee excise taxes on interest on the Bonds

during the period the Bonds are held or beneficially owned by any organization or entity, or other than a sole proprietorship or general partnership doing business in the State of Tennessee, and (c) Tennessee franchise taxes by reason of the inclusion of the book of the value of the Bonds in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

### APPROVAL OF LEGAL PROCEEDINGS

All legal matters incident to the authorization and issuance of the Bonds are subject to the approval of Bass, Berry & Sims PLC, Nashville, Tennessee, Bond Counsel, whose approving opinion in substantially the form attached hereto as Appendix B will be delivered with the Bonds. Certain legal matters with respect to the Metropolitan Government will be passed upon by Karl Dean, Director of Law.

### UNDERWRITING

The Bonds were sold at public sale to *[purchaser]* at a price of \$\_\_\_ (which is equal to the par amount of the Bonds plus original issuance premium of \$\_\_\_ and less underwriting discount of \$\_\_\_ (including bondinsurance).

**BOND COUNSEL**

[PROPOSED FORM OF OPINION OF BOND COUNSEL]

Bass, Berry & Sims PLC  
315 Deaderick Street, Suite 2700  
Nashville, Tennessee 37238-3001

[to be dated closing date]

We have acted as bond counsel in connection with the issuance by The Metropolitan Government of Nashville and Davidson County (Tennessee) (the "Issuer") of \$140,000,000 General Obligation Multi-Purpose Bonds, Series 2003, dated December 2, 2003 (the "Bonds"). In such capacity, we have examined the law and such certified proceedings and other documents as we deemed necessary to render this opinion, including, but not limited to, Resolution No. \_\_\_\_\_, adopted by the Metropolitan County Council on (the "Resolution") authorizing the issuance and sale of the Bonds. The terms used herein, but not defined herein, shall have the respective meanings given such terms in the Resolution.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify such facts by independent investigation.

Based on the foregoing, we are of the opinion, as of the date hereof, as follows:

1. The Bonds have been duly authorized, executed and issued in accordance with the constitution and laws of the State of Tennessee and are valid and binding general obligations of the Issuer.
2. The Resolution of the Metropolitan County Council of the Issuer authorizing the Bonds has been duly and lawfully adopted, is in full force and effect and is a valid and binding agreement of the Issuer enforceable in accordance with its terms.
3. The Bonds constitute general obligations of the Issuer for the payment of which the Issuer has validly and irrevocably pledged its full faith and credit and unlimited taxing power. The principal of, premium, if any, and interest on the Bonds are payable from the debt service fund of the General Services District of the Metropolitan Government for debt service attributable to projects in the General Services District, from the debt service fund of the Urban Services District of the Metropolitan Government for debt service attributable to projects in the Urban Services District, and from the school debt service fund for debt service attributable to school projects; provided, however, that the Metropolitan Government is unconditionally and irrevocably obligated to levy and collect ad valorem taxes without limit as to rate or amount on all taxable property in the General Services District to the full extent necessary to pay all principal, premium and interest on the Bonds, and the full faith and credit of Metropolitan Government is pledged to the payment thereof.
4. Interest on the Bonds (including any original issue discount properly allocable to an owner thereof) is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; provided, however, that for purposes of computing the alternative minimum tax imposed on certain corporations (as defined for federal income

tax purposes), such interest is taken into account in determining adjusted current earnings. The opinion set forth in the preceding sentence is subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The Issuer has covenanted to comply with all such requirements. Failure to comply with certain of such requirements could cause interest on the Bonds to be so included in gross income retroactive to the date of issuance of the Bonds. Except as set forth in this paragraph, we express no opinion regarding other federal tax consequences arising with respect to the Bonds.

5. Under existing law, the Bonds and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) inheritance, transfer and estate taxes, (b) Tennessee excise taxes on all or a portion of the interest on the Bonds during the period such Bonds are held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (c) Tennessee franchise taxes by reason of the inclusion of the book value of the Bonds in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds and the resolution authorizing the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors' rights generally and by equitable principles, whether considered at law or in equity.

We express no opinion herein as to the accuracy, adequacy or completeness of the Official Statement relating to the Bonds.

This opinion is given as of the date hereof, and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Very truly yours,

**INFORMATION RELATED TO DEPOSITORY TRUST COMPANY**

## INFORMATION RELATED TO DEPOSITORY TRUST COMPANY

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds (the "Securities"). The Securities will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Security certificate will be issued for the Securities, in the aggregate principal amount of such issue, and will be deposited with DTC.
2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Direct and Indirect Participants are on file with the Securities and Exchange Commission.
3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.
4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.
5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Securities, such as redemptions, defaults, and proposed amendments to the security documents. Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners, or in the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of the notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all the securities shall be called for redemption, the maturities to be redeemed shall be selected by the Metropolitan Council in its discretion. If less than all of the Securities within a maturity of an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.
7. Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Metropolitan Government as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).
8. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Metropolitan Government or Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Paying Agent, or the Metropolitan Government, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividends to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Metropolitan Government or Paying Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.
9. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to the Metropolitan Government or Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.
10. The Metropolitan Government may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.
11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Metropolitan Government believes to be reliable, but the Metropolitan Government takes no responsibility for the accuracy thereof.

**CONTINUING DISCLOSURE UNDERTAKING**

If the document incorporated by reference is a final OFFICIAL STATEMENT, in final form, it will be available from the Municipal

Securities Rulemaking Board. The Metropolitan Government shall clearly identify each such other document so incorporated by reference.

*Reporting of Significant Events.* The Metropolitan Government will file notice regarding material events either with the Repositories or with the Municipal Securities Rulemaking Board and SID, if any, as follows:

1. Whenever the Metropolitan Government obtains knowledge of the occurrence of a Listed Event (as defined in (3) below), the Metropolitan Government shall as soon as possible determine if such event would be material under applicable Federal securities laws.
2. If the Metropolitan Government determines that knowledge of the occurrence of a Listed Event would be material (under applicable Federal securities laws), the Metropolitan Government shall promptly file a notice of such occurrence either with the Repositories or with the Municipal Securities Rulemaking Board and SID, if any. *Termination of Reporting Obligation.* The Metropolitan Government's obligations under the Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds.

*Amendment; Waiver.* Notwithstanding any other provision of the Disclosure Certificate, the Metropolitan Government may amend the Disclosure Certificate, and any provision of the Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions concerning the Annual Report and Reporting of Significant Events it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the

Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of Holders, or (ii) does not, in the opinion of the Trustee or nationally recognized bond counsel, materially impair the interests of the Holders or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of the Disclosure Certificate, the Metropolitan Government shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Metropolitan Government. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

*Default.* In the event of a failure of the Metropolitan Government to comply with any provision of the Disclosure Certificate, any Bondholder or any Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Metropolitan Government to comply with its obligations under the Disclosure Certificate. A default under the Disclosure Certificate shall not be deemed an event of default, if any, under the Resolution, and the sole remedy under the Disclosure Certificate in the event of any failure of the Metropolitan Government to comply with the Disclosure Certificate shall be an action to compel performance.
